

# Handmade for the Holidays Projects

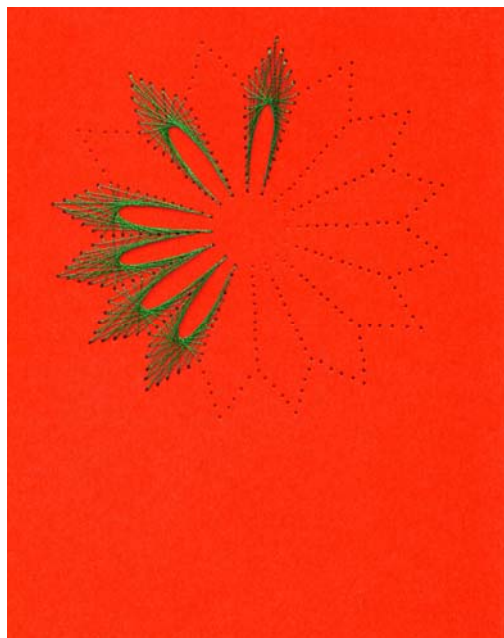

## Tatted Flower Bookmark

No experience required. Other patterns available for those with tating experience. Pattern and thread are provided. Shuttles to use during the class will be available as well

## Tatted, Beaded earrings

Students will learn to tat a pair of beaded earrings similar to those shown here. A variety of thread, bead and finding options will be available. Materials for one set of earrings are provided. Students should have basic tating skills.

## Elegant Geometric Embroidered Card

Card stock and Metallic thread form a festive holiday motif. Bring sharp scissors and a pricking tool if you have one, and reading glasses if you need them! Thread, card and pattern are provided. (shown is a work in progress)

## Tenerrife Needle Book

We will use a needle lace technique, Tenerrife, to create a design on a 3.5" square needle book. Wool felt and variegated perl cottons will be provided. A needle book is handy for any needle worker, keeping various types and sizes of needles handy and organized.
