IOLI Convention Update

Convention Logo Design Needed! We are looking for help designing the logo for our 2012 convention. This logo is used on advertising materials, attendee gifts like lapel pins and tote bags, convention materials, and possibly on saleable items such as commemorative shuttles or bobbins. Submissions for consideration need to be sent to Amy (by electronic or hard copy) by the October MLS meeting. The convention committee will make the final selection.

Incorporated into the logo must be the following texts in quotes:

“IOLI Convention 2012”
“Minnesota Lace Society”
“Star of the North”

Other requirements:

Only 1 color
Must incorporate somehow a 5-pointed star (may be geometric or stylistic—that is up to your creativity)

Additional Information: Feel free to incorporate any aspect of lace including tools, stitches, and designs; Minnesota stuff; or anything else that fits in the theme—that is the creative part we will leave up to you!
