

MINNESOTA LACE SOCIETY

CLASS REGISTRATION FORM

The Minnesota Lace Society provides education of, by, and for the membership and the public concerning all aspects of lace.

Event: Lace Crochet

Class description: This class is designed for the person comfortable with crochet basics, such as chains, single crochet, and double crochet, and who would like to expand their skills to make fine lace using crochet. You will make a small, lace medallion during the class using a size 30 thread (provided by the Society). After class you will understand the differences in crochet when making fine lace, and will have the skills to use the medallion pattern to create your own favorite crocheted lace.
